"Every child. One Voice."

March 22, 2011

Do you want to be more involved with decisions that directly affect the quality of your child's education? Are you interested in learning more about what our status as a charter school really means? Consider becoming a member of the CCHS Governance Council.

The CCHS PTSA Advisory Committee is currently accepting applications from parents/guardians and CCHS community members interested in serving on the CCHS Governance Council for the 2011/2012 school year. The Council works closely with the CCHS administration in governing our school according to the terms of our charter. Addressing issues ranging from curriculum and instruction to discipline and community service, the Council is a vital part of the structure of CCHS.

The Governance Council has seven standing committees representing a wide range of interests: Academic Council, Community Service/Outreach, Discipline and Safety, Financial Planning, Technology, Character Development/Honor Bound and Long Range Planning. If you have a passion for or experience in any of these areas, please consider applying to become a Council member.

For more information or to download and print an application, visit the CCHS website: www.dekalb.k12.ga.us/chambleehs/. Applications are also available in the CCHS front office. Please return completed applications to the CCHS front office by **Friday, April 29, 2011**.
