Media Center

What We Heard

Need to keep green space in front of the school

Need to make campus ADA Accessible

Need for additional instructional space

Need for more, better equipped and up-to-date science rooms

Need for augmented and updated Career Tech space

Need for proper athletic fields and practice space separate from Stadium

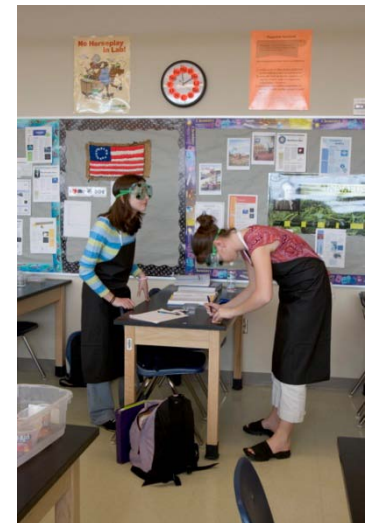

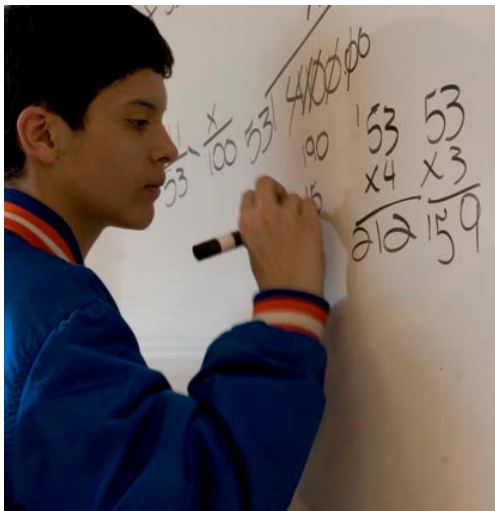

Like the idea of the Senior courtyard

Program

New Facilities:

1600 students
84 Instructional Units

Core Facilities for 2000 students
Media Center
Cafeteria .

Program

Visioning / What We Heard

Consensus of Themes:

History

Tradition

Diversity

Emphasis on Academics

Adaptability

Community

Street Presence

History, Tradition, and Character

Keep the school's history and leave blank pages for others to come

Celebrate the school's past:

People, Achievements, Awards

Display areas throughout / objects from the past saved

Street Presence

Public building image: old world feeling

Street presence to facility with tree lined drive / trees saved

Diversity

A place with room for all students regardless of academic ability

Ability for all groups to work together

Welcoming to everyone

A sense of safety and comfort for all who are here

A hopeful place

Community

Community of learners and high achievers

Welcoming / outreach to the community

Make room for partnerships between public and private

Center of the community / Pillar and keystone of the community

Community spaces/ social spaces for students

Student-Centered and Emphasis on Academics

High achievers

Emphasis on Academics

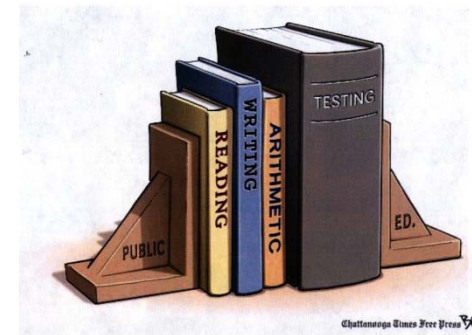

Non traditional spaces where students want to be

Grade identity areas

Areas where students can make their own spaces

Media Center as center of the school

Media Center used in part like a hotel business center or a Kinko's

Buildable Area

Demolition

PERKINS
+ WILL

PHASE 1 DEMOLITION

PERKINS
+ WILL
